Labour (Hourly)	£115.30

Notes:

- MCFT reviews rates annually and reserves the right to make changes giving 90 days' notice.
- A callout charge covers the cost of routing the engineer to site and does not include work on site. This will only be charged once per visit, per engineer- irrespective of jobs carried out
- Remedial visits (eg to fit parts) will also incur a travel charge. This will only be charged once per visit, per engineer- irrespective of jobs carried out.
- Parking, where not provided, will be charged at cost.
- Minimum invoice charge (including parts only) is £30 + VAT
- All prices are net of VAT
